

The Beauty of the Earth

C G/B
Today the Beauty of the Earth is
F G
such a good gift but so fragile.
C G/B
You all claim for clean air to breath and
F G
crystal water to drink all day.
F G
One doesn't think that pollution
F G
Can change the climate and the future.

C G/B
Our new role will be "Green" magicians!
F G
We cast a spell on your welcoming hearts.
C G/B
From now on you can play a new sound
F G
With sensitivity, in harmony.
F G
And day by day the smile of Nature
F G
Will be brightly shining everywhere.

C G F
Is our message getting through?
G Am G F
The Rhythm of our green hearts will change the rules. Let it be!
C G F
Because the Earth is such a treasure
G Am G F
and every stone or plant Water or living being deserve to be loved.

C G F
Is our message getting through?
G Am G F
Sing with joy and dance Sing the Beauty and Joy of this wonderful world
C G F
Is our message getting through?
G Am G F
Hurry up! Such a beautiful gift in our hands. That's the world!
